

The 3rd International Symposium on Mobiligence in Awaji

November 19-21, 2009

The Awaji Yumebutai Int. Conf. Center

Call for Papers

We are going to hold the international symposium on Mobiligence. This is the project which is sponsored by Grant-in-Aid for Scientific Research from the Japanese Ministry of Education, Culture, Sports, Science and Technology, Scientific Research on Priority Areas (Area No. 454). Please submit the paper concerned with Mobiligence. The presentation will be done by poster form. We review the papers to select some good papers. And we publish the selected papers as a book or special issue of transaction of some academic societies..
